

WhatsApp Template Updates

Template Category Update

This webhook is sent by the **WhatsApp Business Management API** when a message template's category is updated.

```
{
  "object": "whatsapp_business_account",
  "entry": [
    {
      "id": "<ID>",
      "time": <TIMESTAMP>,
      "changes": [
        {
          "field": "template_category_update",
          "value": {
            "message_template_id": <MESSAGE_TEMPLATE_ID>,
            "message_template_name": "<MESSAGE_TEMPLATE_NAME>",
            "message_template_language": "<LANGUAGE_AND_LOCALE_CODE>",
            "new_category": "<NEW_CATEGORY>"
          }
        }
      ]
    }
  ]
}
```

Message Template Status Update

This webhook is triggered by the **WhatsApp Business Management API** when a message template's **approval status** is updated (e.g., approved, rejected).

```
{
  "entry": [
    {
      "id": "<WHATSAPP_BUSINESS_ACCOUNT_ID>",
      "time": <TIMESTAMP>,
      "changes": [
        {
          "value": {
            "event": "APPROVED",
            "message_template_id": <TEMPLATE_ID>,
            "message_template_name": "<TEMPLATE_NAME>",
            "message_template_language": "<LANGUAGE_AND_LOCALE_CODE>",
            "reason": "NONE"
          },
          "field": "message_template_status_update"
        }
      ]
    }
  ],
  "object": "whatsapp_business_account"
}
```

Template Quality Rating Changed

The "Template Quality Rating Changed" webhook notifies you when a WhatsApp message template's quality score is updated (e.g., from HIGH to MEDIUM).

```
{
  "object": "whatsapp_business_account",
  "entry": [
    {
      "id": "<WHATSAPP_BUSINESS_ACCOUNT_ID>",
      "time": <TIMESTAMP>,
      "changes": [
        {
          "field": "message_template_quality_update",
          "value": {
            "previous_quality_score": "<PREVIOUS_QUALITY_SCORE>",
            "new_quality_score": "<NEW_QUALITY_SCORE>",
            "message_template_id": <TEMPLATE_ID>,
            "message_template_name": "<TEMPLATE_NAME>",
            "message_template_language": "<LANGUAGE_AND_LOCALE_CODE>"
          }
        }
      ]
    }
  ]
}
```
